- 1043 **Appendices**
- 1043 **Appendix 1.** International agreements relevant to the protection and management of sites for nature conservation in the African region.
- 1046 **Appendix 2.** The 2,313 bird species of Africa and associated islands, with the Important Bird Area criteria that they can potentially fulfil.
- 1081 **Appendix 3.** The 343 species of global conservation concern in Africa, and their threat status.
- 1085 **Appendix 4.** The bird species that have a globally restricted range (<50,000 km²) in Africa, and the Endemic Bird Areas and Secondary Areas in which the species occur.
- 1089 **Appendix 5.** The distribution of biomes in Africa, and their associated biome-restricted bird species, by country.
- 1106 **Appendix 6a.** The congregatory waterbird species that occur regularly in the Afrotropics, with '1% of population' thresholds.
Appendix 6b. The derivation of 1% population threshold figures for congregatory waterbirds of the Afrotropical region.
Appendix 6c. The congregatory waterbird species that occur in North Africa, with '1% of population' thresholds.
Appendix 6d. The congregatory seabird species that occur regularly in the African region with the corresponding '1% of population' thresholds.
Appendix 6e. The congregatory landbird species that occur regularly in the African region with '1% of population' thresholds.
Appendix 6f. The derivation of 1% population threshold figures for congregatory seabirds and landbirds.
Appendix 6g. The species of pelican, stork, raptor and crane which congregate at migration 'bottleneck' sites.
- 1118 **Appendix 7.** The classification of habitat terms used by the Africa IBA Programme.
- 1122 **Appendix 8.** Species of mammal, reptile and amphibian in the African region that are of global conservation concern, in alphabetical order.
- 1128 **Appendix 9.** The number of Important Bird Areas in Africa that meet the A2 criterion for a particular Endemic Bird Area, and the number that meet the A3 criterion for a particular biome, listed by country.
- 1130 **Appendix 10.** The species of bird referred to in this book, listed in alphabetical order, numbered so as to cross-reference with Appendix 2.
- 1139 **Index to sites**
