The presentation of material in this book and the geographical designations employed do not imply the expression of any opinion whatsoever on the part of BirdLife International concerning the legal status of any country, territory or area, or concerning the delimitation of its frontiers or boundaries.

“To the extent that this world surrenders its richness and diversity, it surrenders its poetry. To the extent that it relinquishes its capacity to surprise, it relinquishes its magic. To the extent that it loses its ability to tolerate ridiculous and even dangerous exceptions, it loses its grace. As its options (no matter how absurd or unlikely) diminish, so do its chances for the future.”
