

Important Bird Areas in Europe – Appendix 8

Appendix 8. The number of Important Bird Areas in each country that overlap with Ramsar Sites, World Heritage Sites, Biosphere Reserves and Special Protection Areas.

For details of the international agreements under which these protected-area types have been designated, see Box 2 in the chapter 'Overview of results' and also Appendix 1. Details of the extent of overlap between these protected areas and individual IBAs, and the names of the protected areas concerned, are given in the relevant country chapters.
